

Modernise HR FAST

Stronger employee
experience.

Workforce visibility.

Across the UK, organisations are under pressure to attract talent, support employees, and manage workforce complexity while maintaining efficiency and compliance. Many human resources (HR) teams still rely on spreadsheets, manual processes, and disconnected systems that limit visibility and consistency.

Vision33 ExpressHR for SAP SuccessFactors provides a fast, affordable entry point to integrated human capital management. Built on SAP SuccessFactors, part of SAP Business Suite, it combines SAP best practices, automation, analytics, and SAP Business AI to help organisations modernise HR, gain clearer workforce insight, and support growth with confidence.
